Gordon A. Cheney—1958

Raymond Nicol—1958

Herbert E. Wilbur—1958

HAYDEN E. CHENEY

The townfolk of Newton, N. H., paused on December 14, 1955, to pay their respects to Hayden E. Cheney who passed away on December 11, 1955.

Mr. Cheney, born in Kingston, N. H., educated in the schools of that town, then at the University of New Hampshire, came to Newton Junction with his wife, Freda, in 1917. He established a business which became a general store. Later, with the post office, he became Postmaster, which, after more than 35 years serving the public, won the esteem of every one.

He was one of the first sponsors, with Wilbur Sargent, to obtain the first Bond Issue to build roads in this town.

Along with the late A. Ralph Estabrook, they were instrumental in getting the Reo Fire Truck.

Mr. Cheney took great interest in civic and general affairs—serving as Tax Collector for three years, as representative from his district to the New Hampshire State Legislature for two years. He was a Past Master of Gideon Lodge of Free and Accepted Masons, and held the office of Secretary.

In 1941, Mr. Cheney helped organize the Newton Junction Firemen's Association. At that time he was made Deputy Fire Chief. He was elected president of this Association and, later, a member of the Board of Trustees.

Mr. Cheney, with the late A. Ralph Estabrook and Mr. Carl Shaw, established the new part of Willow Grove Cemetery at Newton Junction.

He also did many things and donated generously to the religious, civic and social welfare of the community; whereas most of these deeds were unknown to the general public.

The deeds of this most respected citizen will never be forgotten and we all extend our deepest sympathy to his wife, the boys and their families. May he rest in peace.

A. RALPH ESTABROOK

1889 - 1955

The Town of Newton hereby officially expresses its sorrow at the loss of one of its most respected citizens, A. Ralph Estabrook. A lifelong resident of Newton, he was widely known throughout our town, county, and state as a public servant of unquestioned honesty, trustworthiness, and loyalty to American ideals.

Among his services to his people were those of Fire Chief for over 30 years, State Representative for 12 years, State Senator for 2 years, Deputy Sheriff for 15 years, Member of the Board of Parole at States Prison for 15 years and Chairman for 5 years, Treasurer of the Union Cemetery Trustees for 35 years, and Chairman of the annual March of Dimes Campaign for 12 years.

Estabrook's Garage, which he established, has become a landmark in Newton Village, and serves as a monument to the honest practices in business which he advocated.

He was a member of numerous organizations, including Gideon Lodge No. 84, F. and A.M. of Kingston, New Hampshire Consistory 32° of Nashua, Corinthian Chapter, O.E.S. of Kingston, Twilight Lodge, I.O.O.F. and Eclipse Grange of Newton, and practiced devotedly throughout his life the virtues of fellowship.

Recognizing the worthiness of this good and faithful servant leaves us humbled at the thought of his passing, but inspired to follow the good example set before us for the welfare of our community.

TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

(L.S.)

The Inhabitants of the Town of Newton in the County of Rockingham in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Town Hall in said Newton on Tuesday, the Thirteenth day of March, next at nine of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

3. To hear reports of Town Officers and pass any vote relating thereto.

4. To see if the Town will vote to authorize the Selectmen to hire money in anticipation of taxes.

5. To see if the Town will vote to authorize the Selectmen to sell property acquired by Tax Collector's Deed or through Old Age Assistance; or any other property of the Town not used for public purposes.

6. To see if the Town will vote to rescind the action taken on articles six and seven at last town meeting in regard to Social Security for employees of the town.

7. To see if the Town will vote to adopt the Building Code and Safety Ordinance as recommended by the committee appointed for that purpose.

8. On petition of Mrs. Ada Fowler and ten or more other legal voters of Newton: To see if the Town will vote to install a street light and maintain same near the residence of Ada Fowler.

9. On petition of the Newton Volunteer Fire Company and ten legal voters: To see if the Town will vote to raise and appropriate the sum of Fifteen Hundred Dollars (\$1,500.00) for the construction of a new fire house on land acquired by the town from Wilbur Sargent.

10. To see if the Town will vote to permit the game of Beano for another year.

11. On petition of ten or more legal voters of Newton: To see if the Town will grant the use of the Town Hall to any organization within the town in either the upper or lower hall, without charge. Affairs of the organizations using the hall for Banquets, raising of funds or profit, will be required to pay the regular charge. The only exemption from the above would be for a special benefit for a very worthy cause, and then only upon approval of the Selectmen. The fee for the janitor services for any of the above rulings will be taken care of by the organizations using the hall.

12. To transact any other business that may legally come before said meeting.

Given under our hands and seal, this eighteenth day of February, in the year of our Lord nineteen hundred and fifty-six.

LLOYD G. INGALLS
JAMES A. MARDEN
HAROLD H. JILLSON

Selectmen of Newton.

A true copy of Warrant—Attest:

LLOYD G. INGALLS
JAMES A. MARDEN
HAROLD H. JILLSON

Selectmen of Newton.

REPORT OF TOWN MEETING

NEWTON, N. H.

March 8, 1955

The meeting was called to order at 8 p.m. by the moderator, Clifford R. Bryer. He called upon the Rev. Roland Boutwell to open the meeting with prayer.

Article 1: To choose Town Officers for the year ensuing—The moderator read the results of the balloting. The following officers were sworn in by the clerk, Pearl R. Willis:

Selectman—Harold H. Jillson

Treasurer—Kenneth F. Briggs

Tax Collector—Augusta Kimball

Auditors—Everett O. Kelly and Robert M. Rowe

Cemetery Trustee—Frederick Lemmon

Trustee of Trust Funds—Otis R. Rowell

Constable—Earl Morse, Jr.

Article 2: On motion of Everett Coombs, it was voted to raise such sums of money as may be necessary to defray town charges for the ensuing year, and make appropriations for the same.

Article 3: Everett Coombs, for the Finance Committee, moved the acceptance of the list of estimated expenditures for the ensuing year, 1955, appearing on page 10 of the 1954 Town Report—excluding the item of School Taxes—as the Town Budget for the year 1955; and moved the raising and appropriation of an amount necessary to cover the same. This motion was seconded, and it was a vote.

Article 4: On motion of Everett Coombs, it was voted to authorize the Selectmen to hire money in anticipation of taxes.

Article 5: On motion of Curtis Bates, it was voted that the town authorize the Selectmen to sell property acquired by Tax Collector's Deed or through Old Age Assistance; or any other property of the town not used for public purposes.

Article 6: After discussion by Robert Rowe and Lloyd Ingalls, on motion of E. Atwood, it was voted to adopt a plan for extending to employees of the town, the benefits of Title II of the Federal Social Security Act (Old Age and

Survivor's Insurance) as authorized by Chapter 234 of the Laws of 1951, and to raise and appropriate the sum of \$75.00 to defray the town's share of the cost thereof.

Article 7: On motion of E. Atwood, it was voted to authorize the Selectmen to execute on behalf of the Town the necessary agreement with the State of New Hampshire, to carry into effect the plan, and to designate the Town Treasurer as the officer to be responsible for the administration of the plan.

Article 8: Regarding permitting Beano. This has already been acted upon in the polling.

Article 9: On motion of E. Atwood, it was voted to raise and appropriate the sum of \$450.00 to install an exit and cement ramp on the southwesterly side of the Town Hall.

Article 10: On motion of Ralph Roberts, it was voted that the old town tractor and plow be put up for sale at public auction.

Article 11: N. Sawyer made a motion that the town accept the Tank Truck from the Newton Volunteer Firemen. John Fenn made an amendment that the men who have been responsible for providing the tank truck be given a vote of thanks. The amendment was first voted on and passed, and then the original motion with the amendment was passed.

Article 12: On motion of Mr. Hanley, it was voted to continue the registration of bicycles indefinitely.

Article 13: N. Sawyer made a motion that the moderator appoint a committee of three citizens to obtain estimates on painting the outside of the Town Hall. W. Nyberg made an amendment that this committee also get estimates on painting the inside of the Town Hall. The amendment was first voted on and passed, and then the original motion with the amendment was passed. The moderator named the following two to serve—the third to be appointed

later: Ralph Marden, Thomas Locke. J. Gardner Kimball was later appointed.

Article 14: On motion of Ralph Roberts, it was voted that the moderator be authorized to appoint a committee of seven citizens in order to formulate a proposed Building Code Ordinance for the Town of Newton; this committee to report their recommendations at the next annual Town Meeting. (This committee to consist of the three Selectmen and four other citizens.)

The moderator appointed to serve on this committee:

Carl Shaw, Chairman

Lincoln Walker

John F. Swasey, Jr.

Perry A. Xenakis

Article 15: A motion was made by E. Atwood that the article be accepted: "To raise and appropriate the sum of \$1,500.00, which is one-half the amount proposed by the State for removing part of the banking at Fleming's Corner." The motion was seconded. There was considerable discussion, and a letter was read from the State regarding the situation. C. Green asked that this be voted by ballot, which was done, and the results were 57 No, 29 Yes, and the motion was lost.

Article 16: On motion of Lloyd Ingalls, it was voted to pass over Article 16.

Article 17: On motion of H. Jillson, it was voted to install and maintain a street light at White Sands, Wilders Grove.

Article 18: James Webber reported for the committee appointed last year to make a survey of lighting conditions in the town, that the survey had not been finished in time to report at this year's Town Meeting.

Carl Shaw made a motion to change Rule 2 on page 21 of the 1954 Town Report that no interments shall be made in any lot until both lot and perpetual care is paid for, and it was so voted.

T. Hanley reported there was some question about the sale of a lot in Willow Grove Cemetery. After discussion, on motion of W. Nyberg, it was voted that the moderator appoint a committee to investigate conditions in the cemeteries. The following committee was appointed:

Ralph Roberts

Wallace Nyberg

Earl Morse, Jr.

At 9:20 p.m. it was voted to adjourn.

A true copy — Attest:

PEARL R. WILLIS,

Town Clerk.

POLICE CHIEF'S REPORT

Newton, N. H., Feb. 6, 1956

To the Board of Selectmen,
Newton, New Hampshire

Gentlemen:

The Chief of Police of Newton does submit herewith his report of the activities of the Police Department for the year ending Dec. 31, 1955.

There have been a number of court actions in regard to the violation of the motor vehicle laws and it is my belief that conditions have improved, but unless this practice is continued conditions will worsen rather than improve; however, the number of hours required for juvenile disturbances is increasing constantly. This alone will require more police attention in the future.

The children's Hallowe'en party was a success with Harold Jillson serving as chairman. Contributions were received from various organizations, merchants, and individuals. Through the generosity of the management and owner of the Newton Pavilion, the donation of the use of the rink as well as some of the refreshments was the main contributing factor to the success of the party.

EXPENSES OF THE DEPARTMENT

APPROPRIATION	\$400.00
---------------	----------

January 1, 1955—March, 1955

William D. Case, Chief

March, 1955—December 31, 1955

Earl E. Morse, Jr., Chief

Earl E. Morse, Jr., time and mileage \$170.01

Frank Sirrell, time and mileage	84.44
Nathaniel Sawyer, time and mileage	40.52
Richard Hansen, time and mileage	49.18
Wallace Nyberg, time	27.00
Harold Jillson, time and mileage	11.44
Leon George, time	10.00
Lloyd Ingalls, time and mileage	7.92
William Foley, time	2.00

March, 1955—Dec. 31, 1955—Total	\$402.51
January 1, 1955—March, 1955	21.87

Grand Total	\$424.38
-------------	----------

AUDITORS' REPORT

Newton, N. H., January 27, 1956

This is to certify that we have examined the accounts of the Selectmen, Treasurer, Tax Collector, Town Clerk, Road Agent, and Treasurer of the Gale Library Trustees and find them correctly cast and properly vouched.

EVERETT O. KELLY

ROBERT M. ROWE

Auditors

Newton, N. H., January 27, 1956

We hereby certify that we have examined this day the accounts of the Trustees of the Trust Funds of said town, together with a detailed statement thereof, and the particular trust to which they belong, with a statement of the receipts and expenditures with proper vouchers as required by Section 3, Chapter 162, of the laws of 1915, and the amendments thereof.

We find the Trustees of the Trust Funds properly bonded.

REPORT OF LIBRARY TRUSTEES

In closing this past year, we are happy to report that we have been able to purchase some very fine books. There has been an increase of books going out of the main library; also our branch at Mrs. Ella Yates' at Newton Junction.

This coming year the trustees hope to put in a new walk to the street from the steps.

In conclusion, we extend our sincere thanks for books donated to the library.

SCHOOL WARRANT

To the Inhabitants of the School District in the Town of Newton qualified to vote in district affairs:

You the hereby notified to meet at the Town Hall in said district on the 22nd day of March 1956, at six o'clock in the afternoon, to act upon the following subjects:

1. To choose all necessary School District Officers for the year ensuing.
2. To hear the reports of Agents, Auditors and Committees, or Officers chosen, and pass any vote relating thereto.
3. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
4. To see if the district will authorize the school board to make application for and to receive, in the name of the district, such advances, grants-in-aid or other funds for educational purposes as may now or hereafter be forthcoming from Federal, State, local or private agencies.
5. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriations of such sums as are estimated to be received from the state equalization fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.
6. To see what sum, not to exceed \$425.00, the district will vote to raise and appropriate to shingle and make minor

repairs to the roof at the Village School.

7. To see what sum, not to exceed \$2,000, the district will vote to raise and appropriate for grading around the Newton Memorial School.

8. To see what sum the district will vote to raise and appropriate for the purpose of assisting the Parent-Teacher Association in carrying on the School Lunch Program.

9. To transact any further business that may legally come before the meeting.

Given under our hands at said Newton this thirteenth day of February, 1956.

JOHN A. FENN

CURTIS S. BATES

JOHN F. SWASEY, JR.

School Board

The polls will be open to vote for District Officers from 6:00 to 8:00 P.M.

The other articles of the warrant will be taken up at 8:00 o'clock.

Records of Annual School Meeting of the School District of the Town of Newton, March 5, 1955

The meeting was opened at 5:00 P.M., by the Moderator, Harold H. Jillson. The invocation was offered by Rev. Roland Boutwell, First Christian Church, at 8:30 P.M.

Article 1: This article was voted upon by Australian Ballot with the following results: Moderator, Clifford R. Bryer; Clerk, Mrs. Arlene E. Williams; Member of the School Board for three years, Curtis Bates; School Treasurer, Otis R. Rowell; School Auditors, John F. Swasey, Jr., and Everett O. Kelly.

Article 2: "To hear the reports of Agents, Auditors and Committees, or Officers chosen, and pass any vote relating thereto." On the motion of Wallace Nyberg, it was voted to accept the reports as read.

Article 3: "To choose Agents, Auditors and Committees, in relation to any subject embraced in this warrant." This article was referred to the end of the meeting.

Article 4: On motion of Thomas Mahan, it was voted to authorize the School Board to make application for and to receive, in the name of the District, such advances, grants-in-aid, or other funds for educational purposes as may now or hereafter be forthcoming from Federal, State, local or private agencies.

Article 5: "To see if the district will vote to construct and equip a new elementary school; to authorize the school board to execute any and all contracts or agreements necessary and proper or advisable, in connection with the construction and equipping of a new elementary school, and authorize the school board to issue bonds or notes in an amount not to exceed \$45,000, payable from funds to be

raised by taxation, for the purpose of financing such construction."

On motion of Robert Rowe, it was voted that the article be accepted as printed in the Town Report.

The statement of the Moderator, Clifford R. Bryer, that he would not accept a motion to pass over this article, was challenged by E. Atwood and put to a vote with the result that the appeal of E. Atwood was defeated.

Ralph Roberts asked if Article 6 could be voted on before Article 5. Robert Rowe replied that there was no necessity of voting for land unless there was a building to be put on it.

At the request of Robert Gibbs, as to the construction of school as stated in the article, J. Fenn replied that it will have three rooms, with space for books, lavatories and teachers' rooms, and will be of cinder block construction with brick veneer.

S. Claverie spoke in favor of school as bringing more people to town.

Perry Xenakis stated that costs of maintenance of the other schools would still be going up and increasing the tax rate.

W. Halliday questioned the price of construction, saying that it would undoubtedly cost more in the end than stated by contractor.

J. Fenn replied that this price did not include Architect's fee, land, well, or finished grading.

In reply to a question about building onto the Village School, J. Fenn stated that at a previous school meeting by voting, the citizens did not think it feasible, that it would cost around \$32,000.00 to do this.

E. Coombs spoke for the Finance Committee, saying that we needed more room for the children, that the Committee had been to look at the other schools that had been

built by Currier, and that they approved the same type of construction for the building of a new school in this town.

A. Harmon asked if there would be suitable water and adequate drainage, and school board answered that there would be.

After much discussion Article 5 was brought to a vote by paper ballot, with the following results: Ballots Cast—184; Yes 135, No 47, and 2 mismarked, and was thus voted.

Article 6: On motion of E. Coombs, it was voted that the district raise and appropriate a sum not to exceed \$2,000.00 for the purpose of purchasing land for a new school building.

Article 7: “If Article No. 5 is not passed, to see if the district will vote to raise and appropriate \$2500 for additional expenses of operation.” This was cancelled out in favor of vote on Article 5.

Article 8: On motion of W. Nyberg it was voted to accept the budget as printed in the Town Report.

Article 9: “To see what sum the district will vote to raise and appropriate for the purpose of assisting the Parent-Teacher Association in carrying on the School Lunch Program.” E. Coombs made a motion that the district raise a sum not to exceed \$750.00 to assist the P.T.A. on school lunch program. Motion voted by a show of hands and declared favorable.

Article 10: “To see what action the district will recommend that the school board take to provide an adequate water supply for the Village School.” J. Fenn stated that the school board would like advice on what the Town would like to have them do in regard to the water supply.

W. Foley made motion that the school board have an artesian well dug that would give an adequate supply of water.

E. Atwood offered an amendment that in the event an artesian well be installed, a test hole should first be placed

and the well driller should guarantee a minimum of 9 gallons of water a minute in the completed well. Also that a bond should be given by the contractor. This was brought to a vote by a verbal yes and no, and was defeated.

The motion of W. Foley was then brought to a vote by a show of hands and declared favorable.

Article 11: A motion was made by John Swasey, Jr., that it be recommended to the school board to purchase the Newton Junction property for the new school. This motion was brought to a vote by a verbal yes and no and declared favorable.

Returning to Article 3, J. Fenn spoke for the school board, stating that there would be a committee of men from the Town with knowledge of construction asked to work with the school board in connection with the construction of the new school.

Motion made by Horace Williams and seconded that the meeting be adjourned at 10:50 P.M.

ARLENE E. WILLIAMS,

School District Clerk.

REPORT OF THE SCHOOL DISTRICT TREASURER

For the Fiscal Year July 1, 1954 to June 30, 1955

SUMMARY

Cash on hand July 1, 1954 (Treasurer's Bank Balance)	\$3,057.78

BUDGET WORK SHEET

This is a presentation of the budget work sheet upon which your school board is operating during the 1955-56 school year and their proposed expenses for the year 1956-57. It must be taken into consideration that monies appropriated in the month of March, to be used the following year do not necessarily correspond in individual items because of the impossibility of projecting the rising price indexes twelve months hence.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

January, 1956

To the School Board and Citizens of Newton:

I am presenting herewith my Sixth Annual Report as Superintendent of your schools. This report is written under the main headings: Supervisory Union No. 55, The Teacher Situation, Housing, Enrollment and Finances; Bonded Indebtedness, Books, Parent-Teacher Association, and Recommendations.

SUPERVISORY UNION NO. 55: For the information of people who are new to this area, this Supervisory Union, as organized by our State Department of Education, is composed of the School Districts of Atkinson, Hampstead, Newton, Plaistow and Salem. The number of schools, pupils, teachers, the assessed valuation and total school budget in each district is shown in the following tabulation.

District	Number Schools	Number Pupils	Number Teachers	Assessed Valuation	Total Budget	Am't. to be Raised by Taxation After Receipts of State Aid, etc.
Atkinson	1	123	4	\$1,829,449	\$33,578.89	\$31,402.91
Hampstead	2	192	10	3,431,408	56,757.24	54,041.24
Newton	3	205	6	2,488,082	54,159.22	44,168.93
Plaistow	1	365	14	6,076,544	113,199.06	107,001.11
Salem	9	1322	48	15,704,332	314,479.00	282,018.66
Totals	16	2207	82	\$29,529,815	\$572,173.41	\$518,632.85
Union No. 55 (Additional professional personnel)			4		\$25,431.00	\$20,431.00

As compared with the forty-seven supervisory unions in New Hampshire, this one is fourteenth from the largest in the number of teachers and tenth from the largest in the number of pupils. Personnel employed by the five school boards making up the Supervisory Union Board to work throughout the five districts, consists of the Superintendent of Schools, an Elementary Consultant, a school secretary and clerk. One music supervisor and one school nurse-teacher is employed by Atkinson, Plaistow, Hampstead and Newton collectively.

Robert Dolph of Wilmington, California has recently been employed to replace Natalie Hopkins, who had so effectively served this Supervisory Union as Elementary Consultant for the past four years, and who accepted a similar position in Connecticut as of December 15, 1955. Mr. Dolph, a graduate of Buffalo, New York State Teachers College, has had experience in the Rollinsford, New Hampshire Elementary School, the Bourne, Massachusetts High School, the Salem Central School and was principal of the Pollard School in Plaistow from September 1951 to June 1955. He completed work for a Master's Degree in Education at the University of New Hampshire in August of 1955. Mr. Dolph returns to this area with a knowledge of the general school area and with a personal and professional acquaintance with most of the principals and teachers. It is expected that his past experiences will be of much value to the work of the schools in this area in the future.

Miss Gwendolyn Curtis continues her excellent work during this, her fourth year as school nurse-teacher for Atkinson, Hampstead, Newton and Plaistow. In addition to her routine work, she is alert and attentive to various specific health problems that occur in the schools and in the community, and is prompt to arrange for various clinics in cooperation with county and state policies and programs. Perhaps the most unusual clinic during the current year has been "Polio Shots" for all children up to fourteen years of age. More details of the work of the nurse-teacher appear later in this report.

Robert Wood, a graduate of the College of Music, Boston University, was chosen to replace Kenneth Jewett as Music Supervisor for Atkinson, Hampstead, Newton and Plaistow on a three-day-per-week schedule. Mr. Wood assists in carrying on the vocal work in the schools and is cooperative in preparing for community programs as presented by the children and regular teachers.

TEACHERS: One replacement and one additional teacher were new to their respective positions this year. Eustice Michitson of Haverhill, Mass., a graduate of Merrimack College, was employed to replace Arthur LaPlante in grade 5-6 in the Village School in September 1955. During the reorganization of Newton schools after the Christmas vacation, Mrs. Agnes Wormwood of Hampton was engaged as an additional teacher. Mrs. Wormwood has a degree from Keene Teachers College and has had several years of successful teaching experience in Berlin and Hampton, N. H. Tabulations following this report indicate the present teachers, grades and numbers of pupils per room and per school.

All teachers have continued membership in local, state and national professional teachers' organizations and have attempted to keep abreast of modern practices by attendance at local and state teachers' meetings and by taking courses when possible.

Although teachers' salaries in Newton compare favorably with other New Hampshire communities of similar size and wealth, more money must be provided for this purpose in all localities.

In selecting teachers, our **aim** is to secure for every classroom — for every group of children in our schools — a competent teacher who can create worthy ideals, right attitudes, and permanent life interests; who can help the children and youth of our generation to find worthwhile work to do; who knows how to promote cooperation and to develop the team spirit; who, as an expert workman himself, is able to direct the efforts of others to successful achievement.

A good school is a place where young people, of any age, come together to educate themselves, and each other, with the effective guidance of inspiring teachers.

SCHOOL BUILDINGS, ENROLLMENTS AND FINANCES: As a result of School District action on March 5, 1955, the ground-breaking ceremonies held on June 5, 1955, and the completion and opening of the Newton Memorial School in Newton Junction on January 3, 1956 marked the beginning of a new era for Newton children.

The children and teachers are very appreciative of the efforts which the school board and the community have made in the construction of the new three-room school. This new situation will provide an excellent playground area as well as the most modern classroom facilities.

This new building of cinder-block and brick construction is located on Main Street, Newton Junction, and is bounded by 3.071 acres of flat, well-drained land which was purchased from Herbert R. Webster by the school district at a cost of \$2,000. This playground area is complemented by 15.68 acres of land which adjoins it and which was donated to the district by Richard E. Sargent of Bear Hill Road, Merrimac, Mass. In behalf of the district much appreciation is hereby expressed to Mr. Sargent for his generosity.

The School Board has maintained the good physical condition of the Village and Rowe's Corner School buildings. Some of the more important improvements made during the past year consist of a new artesian well, retaining wall at Village School and interior painting at Rowe's Corner School. Twenty-four units of movable furniture purchased to replace old units were necessary to care for increased numbers of pupils. Acknowledgment and thanks are hereby extended to James P. Webber and Ernest Franzmann for pianos which were donated recently for use in the new school.

Modern movable furniture should be provided in the first floor classroom in the Village School and in the second

grade room in the Rowe's Corner School as soon as possible. The proposed 1956-57 budget provides for only twenty new units.

The classrooms in Newton are presently overcrowded according to acceptable standards in better school systems.

By occupying the new building after the recent Christmas vacation, children were reassigned into six classrooms including two in the new school. This rearrangement providing for an additional teacher, as mentioned previously, made possible a decrease in the average number of pupils per teacher and per room from forty-one during the early part of the current school year to the present average number of thirty-five. With the use of only six classrooms next year, it is probable that the number of children per room will show further increases. If we divide the total number of pupils in an eight grade organization by the number of rooms to be used, without due consideration for the varying **numbers of pupils per grade**, there might be greatly varying numbers per room or parts of as many as three grades per room and per teacher.

The 1955 school census indicates that enrollments will continue to increase. As of September 1955, the total number of children from birth through 18 years of age (as shown in the summary of census figures at the end of this report) had increased to 395. This number represents an increase of 20 pupils since September of 1954. The December 1955 total enrollment of 205 children in grades 1 - 8 represents an increase of twenty over the 185 as shown in the annual report for last year.

With reference to providing enough classrooms to allow for thirty pupils or less per classroom, the American Association of School Administrators has stated, "the trend toward smaller classes has persisted until many school systems have now achieved class size in the elementary schools of twenty-five to thirty pupils. The trend is definitely toward an average class size of twenty-five pupils or less in the elementary schools . . ."

In regard to kindergarten classes in the regular school program, the same reference states, "Schooling for five-year-old children, as an integral part of elementary education, has definitely passed through the experimental stage and has proved its value."

Regarding the provision of a multipurpose room, the same reference states that newer educational services hold firm and "... in northern climates at least, gymnasiums with the attendant dressing rooms and showers have become essential in high schools and some form of indoor playroom is required in elementary schools. The music program in good schools is no longer simply classroom choral work but now consists of bands, orchestras, and individual instrumental work. Kitchens and lunchrooms are needed in both elementary and high schools."

As finances in Newton permit, more facilities should be provided in order that the number of pupils per classroom may be decreased and all Newton children may have access to multipurpose rooms for lunch, assembly and play purposes. It is anticipated that recent State legislation will provide some financial assistance toward the cost of the new school and that there may be additional state and federal financial assistance toward school construction.

The Newton School District has already received \$1,991.80 (\$1,012.80 for 1953-54 and \$979.00 for 1954-55) during the current school year from the federal government toward the cost of educating children whose parents work on federal property at such places as the Portsmouth Navy Yard and at the Newington Air Base.

The Newton Finance Committee met with the School Board on January 23rd at the Newton Memorial School and discussed the proposed budget for the 1956-57 school year, in detail.

BONDED INDEBTEDNESS AND BORROWING CAPACITY: According to New Hampshire State Law, a school district may borrow up to 3% of the assessed valuation as equalized; by special permission of a State Legislative Com-

mittee the district may borrow up to $4\frac{1}{2}\%$. The Newton School District has an assessed valuation as equalized of \$2,488,082.00. The present indebtedness of the district is \$45,000, which would mean that the present **net** borrowing capacity of the district as of March 1956 is \$29,642.00 at the 3% rate and \$66,693.00 at the $4\frac{1}{2}\%$ rate.

TRANSPORTATION: The transportation problem has been of considerable concern to the School Board during past years. Efforts have been made to reduce the time that children will be away from home and also to keep costs of transportation from increasing over the budget allowances. During the current year a beachwagon has been added to decrease the mileage and the time required for the regular bus to cover the routes. Earl Morse and Guy Nickerson are transporting the children very satisfactorily in accordance with present policies and expenditures.

BOOKS AND TEACHING AIDS: As a result of a very reasonable budget for books during the recent years, the Newton children are equipped with textbooks as good as are available. There is need for more library type books and a constant need to replace worn and outdated books in order to maintain the excellent present supply. New books purchased during the past year have included, in addition to needs for increasing enrollments in the various grades, music books, grade 3; spelling books, grades 2, 5 and 6; Social Studies, grade 3; Science books, grade 2; Revised copies of Basic Readers, grades 2, 3 and 4.

The usual annual program of the use of standardized achievement tests have been followed. It is by the use of these tests that pupils' achievement is measured objectively and is compared with standardized scores. These test results are consulted often by the teachers to diagnose pupil weaknesses in order to make improvements. Teachers make good use of the movie projector, the record player and other teaching aids which are available.

Principals' reports to the Superintendent, as of December 1955, summarize some of the more unusual and supplemental school activities for the past year as follows: Miss

Kalashian states, "The showing of films has become an important part of our educational program. We usually average at least one film a week: Rainbow Harvest, The Cranberry Story, Milk for the City, Speaking of Rubber, and Climate and the Apple indicate the variety of films used. Visual aids make a significant contribution to our work when it is not possible to provide direct experiences. Our film and filmstrip projectors have become invaluable aids in teaching.

"The selectmen provided us with traffic signs to warn motorists of approaching a school zone. These signs are placed in the middle of the road before and after each school session. As a result of this procedure, I feel the traffic hazard problem has become greatly lessened.

"The New Hampshire American Automobile Association has supplied us with school safety patrol belts and badges for our patrol boys. The school safety patrol is made up of selected boys of grades 7-8 who help their schoolmates to avoid street traffic accidents particularly in front of the building before and after each school session. The P.T.A. originally sent to the organization for the belts and badges.

"Due to the lack of a kitchen, the Hot Lunch Program did not get started until the middle of January. When the First Baptist Church offered the parsonage kitchen for use, Mrs. Hatch and her co-workers once again resumed Class A hot lunches. As usual, exceptionally well-planned and prepared meals were served. Children are eagerly looking forward to the resumption of the program in the near future.

"The bookmobile, a service of the state, makes periodic visits to our school. Children are given an opportunity to select books which are of special interest to them. Teachers also avail themselves of the visit of the Bookmobile by choosing reference books which relate to the various subject areas.

"During our April vacation the eighth grade pupils

visited a session of the General Court at the invitation of our representative, Mr. George L. Cheney. It proved to be a rewarding experience for it gave the children an insight on the procedure of work as carried on by the law-making body of New Hampshire. Meeting the Governor was the highlight of our trip.

“Substantial contributions were made by the children to the Junior Red Cross, the Crippled Children’s Association and the March of Dimes.

“The purchase of War Savings Stamps continues. During the last school year many children bought stamps to the extent that they were able to convert them to \$25.00 bonds.

“Appropriate programs were planned and presented in observance of the various holidays throughout the year. Special parties were enjoyed at Hallowe’en, Christmas and on Valentine’s Day. The eagerly awaited event is always our trip to Boston as a group. Last May our trip consisted of a visit to the plant of the Hood Milk Co., a visit to the Logan Airport where all the children were taken aboard a T.W.A. plane, a stop at the Science Museum and a Red Sox game at Fenway Park. I feel that worthwhile experiences are gained from these trips.

“All members of the graduating class participated in an essay contest sponsored annually by the Plaistow American Legion Post. The contestants are all eighth grade pupils of Hampstead, Atkinson, Plaistow, Danville and Newton. Although for the first time in many years we did not win a place in the contest the pupils profited by the experience.

“Graduation exercises for the eighth grade were held June 15th at the Town Hall. Our theme was ‘America in Song and Story.’ The Good Citizenship Medal, awarded by the Sons of the American Revolution, was presented to JoAnn Finkler. The qualities considered in determining the winner of this award are dependability, cooperation, leadership, patriotism and cleanliness of speech and habits.

“Due to the continued cooperation and financial assistance of the P.T.A., the graduates, under the supervision of the teachers and the school nurse, went to the birthplace of John Greenleaf Whittier and then on to Canobie Lake Park. When both finances and energy were exhausted, we drove to Kittery, Me., where a delicious banquet dinner was enjoyed.

“American Education Week was observed during the week of November 6-12. A large number of parents took advantage of Come to See My School Day and visited school. As a result, they became better acquainted with our work, met the teachers, and saw their children’s educational environment.”

Mrs. Knowles reports for the Rowe’s Corner School that: “The usual Hallowe’en, Christmas and Valentine parties were held in both rooms. At Christmas-time the Haverhill Chamber of Commerce Santa Claus visited the school. The school joined the Junior Red Cross under the Exeter Chapter. Christmas boxes were filled and sent overseas. Letters of thanks were brought by Mrs. Strand, Junior Red Cross chairman, from Germany, France, Holland and Greece. Washington’s Birthday favors were made for hospitals.

“The Playmate Club — sponsored by the teachers — teaches children to work and play together and stresses the importance of being thoughtful of others, especially those who are not as fortunate as we are.

“The filmstrip projector has been used to great advantage in connection with our work; we have an excellent collection of filmstrips for primary grades and there is also an excellent collection of records for the record player. We have tried to have children see things in reality, either by going on simple field trips or having things brought in. For instance, two pet ducklings of different sizes were brought into the classrooms.

“At Easter-time we had a Candy Easter Egg Roll. Experiences of this kind are not only pleasant for the children

but teach fair play, taking turns without pushing and being good losers. In May, both rooms went on a field trip to Benson's Wild Animal Farm. The teachers were accompanied and assisted by several mothers, including one who took motion pictures. Expressions of joy were shown by the children when they saw themselves on the screen. The Memorial Day Exercises of the school were held at Union Cemetery and well attended by many parents and friends."

HEALTH PROGRAM: Gwendolyn Curtis, School Nurse-teacher, has presented the following information: "The School Health Program consists of yearly Medical Examinations by Dr. Peter Wheeler. Notices of defects found are sent to parents. A successful 'follow-up' clinic program has been carried out with the help of parents, clinics and the school program.

"All children receive a hearing and visual test with the same cooperative follow-up work. Cursory examinations are done at the beginning of school and after each vacation period. Each child is checked yearly with the Woods Lamp for scalp ring-worm as a precautionary measure.

"Color perception tests are done in the 5th grade yearly. Home visits, audio-visual programs, pre-school clinics, pre-school registrations are held, and conferences with principals and teachers, as well as parents, are frequent during the year. Health talks to students on such subjects as teeth, posture, grooming, nutrition, importance of immunization, clinics, care of and prevention of colds, etc., are given by the school nurse-teacher, often at the request of the teachers. This year our major program has been and still is the Polio Clinics which have been well attended. The vaccine has been administered by Dr. Harris of Plaistow, under the sponsorship of the N. H. Health Department and the National Polio Foundation. Mrs. Jeanette Bernier, R.N., State Public Health Nurse, worked with the school nurse-teacher on these clinics.

"Vollmer Patch Tests for tuberculosis will be held in grades 5-12. We wish to thank local organizations, who

have contributed to make our school health program successful, for their interest and cooperation.”

PARENT-TEACHER ASSOCIATION: The P.T.A. deserves much commendation for its positive support of the school programs and for continuing the Federally Aided School Lunch Program for the children. It is realized that many obstacles have had to be overcome when the school provided no facilities for the preparation of food. Now that a kitchen is being provided in the new school, it is recommended that school lunches be provided during the **whole school year** rather than for only a few winter months. The tabulation following this report indicates the value of government food and the amount of financial assistance received by each district in this Supervisory Union and by the State of New Hampshire during the 1954-55 school year.

In closing, I recommend that additional teachers and classrooms be added in order to decrease and hold the numbers of children per classroom and per teacher to thirty or less and that transportation facilities be increased so that children will not be required to leave home so early in the morning and so that they may arrive home earlier in the afternoon. I again wish to thank the School Board, teachers and children for their cooperation in making our work successful.

Respectfully submitted,

JONATHAN A. OSGOOD,

Superintendent of Schools.

Day and Good Friday are not observed as holidays,
schools will be in session on those days and appropriate
exercises will be held.

FEDERAL AIDED SCHOOL LUNCH PROGRAMS IN NEW HAMPSHIRE AND IN

SUPERVISORY UNION NO. 55

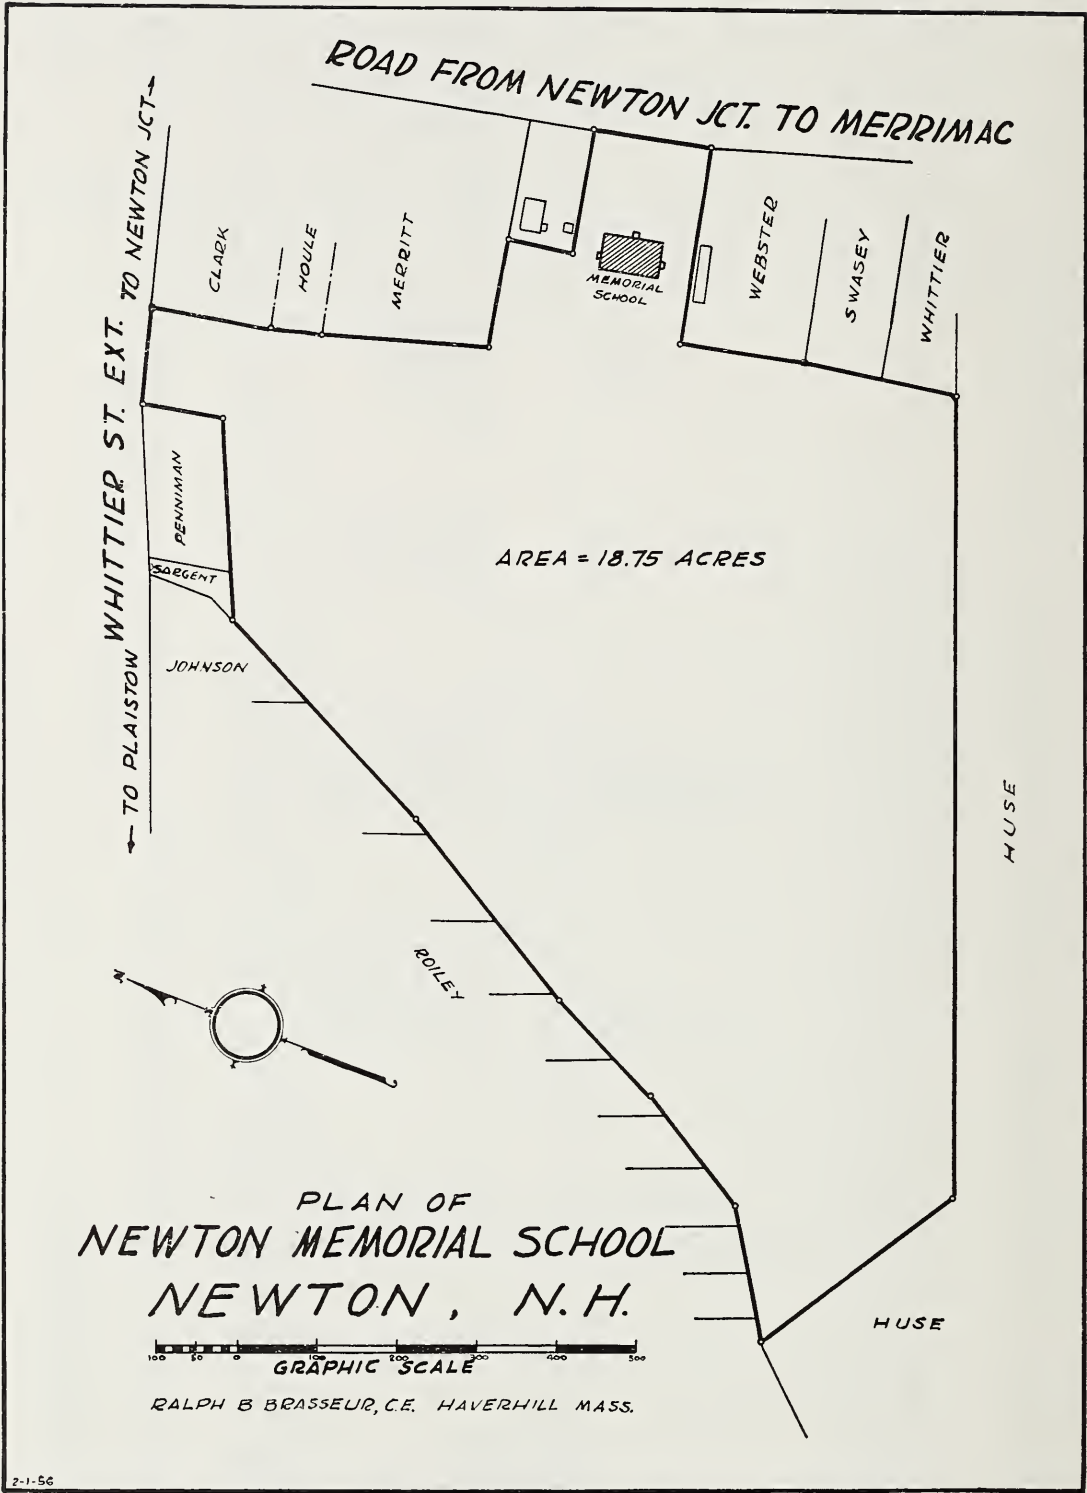

The following tabulation shows the volume of Federal Assistance to school lunch programs in New Hampshire and in this Supervisory Union during the 1954-55 school year.

	Average or No. of Pupils* Participating	Total Federal Cash Received	Approx. Value Government Foods Received	Direct Cost to Us Trans. & Storage	District Appropriation	Approx. No. of Months
New Hampshire	29,983	\$215,434.00	\$316,127.00			All of School Year
Atkinson		NO PROGRAM				
Hampstead	125	1,080.73	976.50	\$39.98	\$1,057.72	All of School Year
Newton	85	336.88	876.21	40.74	750.00	3 months
Plaistow	170	1,189.49	1,751.53	50.76	300.00	8 months
Salem	450	4,500.28	3,885.54	144.53		All of School Year

Programs receive 5c on each full meal served. Government foods consisted principally of canned beef, dried milk, cheese, butter, shortening, canned vegetables and fruits, peanut butter and concentrated orange juice.

It is interesting to note that children participating in programs in New Hampshire paid \$1,051,862.00 for lunches during 1954-55.

*Does not include adult meals.
